PRELIMINARY AMENDMENT

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

Prior to the Examination of this Application, Please amend the Application as follows:

IN THE SPECIFICATION

Please replace the paragraph beginning at page 5, line 10, with the following rewritten paragraph:

-- Figures 7-9 show several variable-gain LNA topologies constructed in accordance with the present invention.--

REMARKS

This Preliminary Amendment is being filed to correct a typographical error in the Specification to clarify that there are only nine (9) drawings described by the Specification.

Applicant respectfully submits that no new matter is entered herein by this preliminary
